Now you're going to need find a program that pays good per lead. Look for something that will pay around \$5 - 7 dollars.

You're going to want to most likely create a legit looking gmail account for an example something like : Larryttapia@gmail.com seems pretty legit in my opinion.

You're going to now want to purchase a domain you can easily find a site using a very cool program : google. After that redirect your website to your affiliate link.

Step 2 :

You're going to now look for a job website :

<https://www.elance.com/>

<http://www.guru.com/>

Also look here : <http://www.ddiy.co/freelance-websites/>

<http://www.online-writing-jobs.com/>

Now you're going to write something like this (Don't copy this is an example) :

Hello,

We are looking for people to write on our website.

You will need to simple short (25 – 50 word)

write ups of daily auctions. We will pay \$0.01/word to \$0.05/word

to begin startup, then increase if it goes well. You MUST be

interested in _____ to take up the job.

Due to payment issues, we can only take writers that

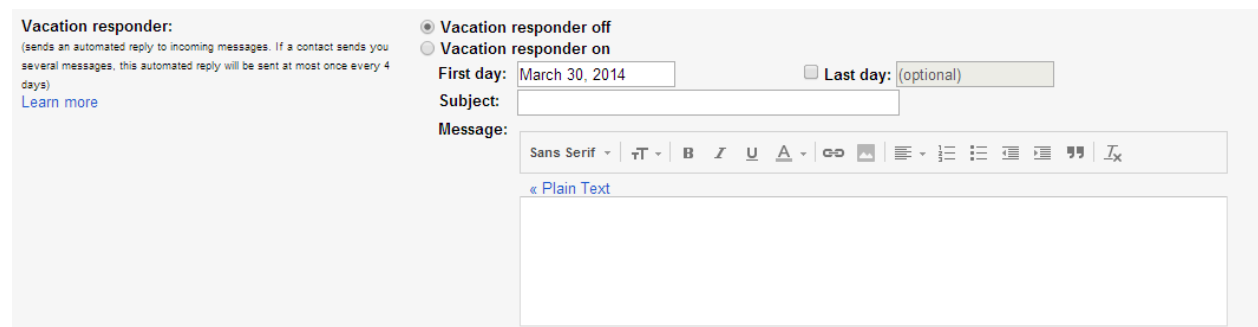

are based in the USA for now. Please send an email to

_____@Gmail.com to see if you will apply

Thank You, Your Truly _____

Now proceed to your gmail

You're going to want to locate under settings (using gmail)
